

Dear Brothers and Sisters,

We pray that you are walking closely with the Lord Jesus Christ in these last days, and that God is blessing you for your obedience to Him.

God is doing some exciting and awesome things across the world. One of which – is that He is raising up a family of Biker Churches known as Rushing Wind Ministries.

Our Rushing Wind Headquarters and Mother-ship is located in Oceanside, California.

We are currently leasing a 3500 square foot warehouse (which we are quickly out-growing). It is located in an industrial center – and we must share parking, and have no real land - to do much on.

It is our prayer that the Lord will provide the funds to purchase a piece of land in Southern California, where we can build a small complex on – with additional land to host bike rallies, and include adequate parking, etc. We'd like to provide a "spiritual hospital" or those in need.

We will use any "overflow" to help other Rushing Wind Biker Churches to be planted across the U.S., and hopefully around the world. As of 2009 - we currently have thirteen RW churches across the United States and one in the country of Belgium. We are praying for more to spring up – to meet the needs of the ever-increasing motorcycle riding population.

As stated in our motto: We truly "Want to run a rescue shop within a yard of Hell"...
